### New Crime Categories

Beginning with the 2013 Annual Security Report that must be distributed and made available to students, employees, prospective students, and prospective employees by October 1, 2014, each institution must include statistics on the number of incidents of domestic violence, dating violence, and stalking that were reported to campus security authorities or local police agencies. Institutions must also report these statistics to the U. S. Department of Education (Department) each fall. Section 485(f)(6)(A) specifies that, for the purposes of the Clery Act, these terms have the same meaning as in section 40002(a) of the Violence Against Women Act of 1994.

1. Section 40002(a) defines “*domestic violence*” as a “felony or misdemeanor crime of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies under VAWA, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.”

2. Section 40002(a) defines “*dating violence*” to mean “violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship, and the frequency of interaction between the persons involved in the relationship.”

3. Section 40002(a) defines “*stalking*” to mean “engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.”

### HATE CRIMES

Loyola University New Orleans is also required to report statistics for hate (bias) related crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson (see definitions above) and larceny, vandalism, intimidation, and simple assault (see definitions below).

*Larceny*: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

*Vandalism*: To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

*Intimidation*: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

*Simple Assault*: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A hate or bias related crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the
offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc... the assault is then also classified as a hate/bias crime.

If a hate (bias) related crime was reported to you, please fill out the top section of Page 1 and then complete the following information about the type of bias involved in the crime.
